## Indexes

### NUMERICAL INDEX OF ACS/INTELLIGENCE OPERATING INSTRUCTIONS (INOIs)

1. This instruction provides a numerical index of Air Force Intelligence (AF/IN) operating instructions.

2. Explanation of Symbols. There are two distribution symbols in the publications system: functional (F) and special (X). Each INOI carries one of these symbols. **NOTE:** The old "A" series distribution symbol will be replaced as the publication is revised.

S, C, FOUO (For Official Use Only).. Indicates the security classification of the instruction. Classified subjects are not used in AF/IN indexes.

F ..... An advance notice stating the purpose of the publication and what activities will need it will be published for each new or revised operating instruction. Requirements must be submitted to AFIS/DAPD by the customer account representative to receive F distribution publications.

X ..... Distribution is controlled by the OPR.

\* ..... Indicates new or revised publications.

Supersedes INOI 0-2, 15 March 1985.  
No. of Printed Pages: 5  
OPR: AF/IN (Prepared by AFIS/DAP)
